

# Microsoft

## Your money, our passion.

**May 4th - day against DRM**

**Did you know that you'll have to buy new display\* to watch HD movies under Windows Vista and 7? Because of DRM.**

**Don't buy new Windows, don't buy new display.  
Install modern, free and open GNU/Linux.  
<http://fsf.org/> <http://www.gnewsense.org/>**

\* - applies only to movies made by monopolists and materialists.
